DOIG'S ESTATE - RENDEZVOUS BAY

Rendezvous Bay, St. Pauls

Price on Request

440.00 ac | 0 sq. ft

Nestled in the unspoiled beauty of Rendezvous Bay, Doig's Estate is a remarkable 440.65-acre landholding offering one of the most significant development opportunities in Antigua.

This expansive property enjoys approximately 159 feet of direct beach access, providing access to the secluded white sands and crystal-clear waters of Rendezvous Bay. The gently rolling landscape boasts stunning, uninterrupted panoramic views of the Caribbean Sea, creating the perfect setting for a world-class resort, luxury residential community, eco-development, or private estate.

While the area remains peaceful and largely untouched, its future is exceptionally promising. Planned developments on neighbouring properties are expected to bring utilities and infrastructure to the Rendezvous Bay area in the coming years, significantly enhancing the property's accessibility and long-term value.

Whether you're seeking to create an exclusive coastal retreat or secure a substantial land investment in one of Antigua's most

picturesque locations, Doig's Estate represents a rare opportunity to acquire a premier parcel with outstanding development potential, natural beauty, and exceptional investment upside.
