

 1.10 ac | 47,916 sq. ft

Presenting two exquisite plots of land available for sale, with a captivating view overlooking the serene Mamora Bay in Antigua and Barbuda. These remarkable parcels of land, each with its distinct charm, present an exceptional opportunity to build a dream residence or invest in a highly lucrative property in a tranquil neighborhood.

The first plot spans an expansive 0.6 acres, offering ample space for architectural creativity. The second plot encompasses 0.5 acres, slightly smaller yet still an advantageous space for development. Both parcels have incredible potential and are ripe for transformation.
