

 0.40 ac | 11,500 sq. ft

Tucked into the hillside on the southern coast of Antigua, this 0.44-acre plot offers an extraordinary blend of privacy, elevation, and panoramic views. The land provides a front-row seat to some of the island's most iconic sights, including sweeping views of the Caribbean Sea, the vibrant English Harbour, the calm waters of Falmouth Marina, and the white sand curve of Pigeon Point Beach. From sunrise to sunset, the landscape transforms, offering a daily display of light, color, and movement that captures the essence of island living.
